FREDONIA ACCOUNTS

YOUR CONNECTION

Your Connection provides access to your eServices username and password, financial aid, grades, and registration for classes. Before classes start, you will receive information in the mail with Your Connection ID and PIN. You can access Your Connection at: *https://connect.fredonia.edu/*

eSERVICES

Your eServices ID is used for logging into the campus wireless network, computer labs, FREDApps, FREDmail, and OnCourse. To find your eServices username and password, login to Your Connection, click on the *Personal Information tab,* and then click on *View Your User IDs and Passwords*. More information on eServices can be found at: *https://answers.fredonia.edu/display/SC/eServices+Password+Security+Standard*

KEEP YOUR COMPUTER CLEAN

To keep your computer secure and clean, please update your antivirus software and install all computer operating system critical and security updates. Updates need to be consistently installed to ensure your computer stays clean. Every computer connected to the campus network must have antivirus software installed with up–to-date definitions.

CAMPUS WIRELESS NETWORKS

FREDSECURE

FREDSecure is the secure campus wireless network that is used for connecting students' computers and mobile devices to the Internet. Instructions on how to connect to FREDSecure can be found at: *https://answers.fredonia.edu/display/SC/FREDsecure+Setup*

FREDGUEST

FREDGuest is an unsecured network that permits access to the campus wireless network for campus visitors and guests. eService accounts can be used to create an account for accessing the FredGuest network at: *http://answers.fredonia.edu/display/SC/FREDguest+Setup*

FREDMEDIA

FREDMedia is an unsecured network that is designed for gaming and multimedia devices. eServices accounts can be used to setup FREDMedia access at: *http://answers.fredonia.edu/display/SC/FREDmedia+Setup*

CAMPUS ACCESS CONTROL SERVICES

FREDCards are used to access academic spaces and residence halls. Please contact the ResNet Office of the ITS Service Center for any problems with access on campus.

PRINTING

COMPUTER LAB PRINTING

Every student is supplied with a print quota for printing in computer labs on campus that can be used for printing on black and white, and color printers. Printing balances can be checked from any computer on the campus network. More information on campus printing can be found at: *https://answers.fredonia.edu/display/SC/Printing+Information*

RESIDENCE HALL PRINTING

Students may bring printers to use in their residence hall room. Please note that wireless printing is NOT permitted in the residence halls.

PEER 2 PEER (P2P) NETWORKS

Before arriving on campus, students need to ensure their devices are not using programs to illegally share copyrighted content such as mp3s, movies, software and other files. Fredonia must report users who have illegally shared content in compliance with Federal Copyright Laws.

CHECK OnCOURSE for COURSE INFORMATION

With your eServices username and password, login to OnCourse to check information from your instructors. OnCourse can be accessed at: *https://oncourse.fredonia.edu*

CONTACT INFORMATION

Please contact the ITS Service Center for questions with your technology support related needs.
